

WEDNESDAY 9-HOLE LEAGUE

1. League is based on a team format. Teams consist of **four** current Pebble Creek Men's Club Members having paid league fees of \$25.00 each.
2. Players may form their own teams. Team members do not need to play together, but they **MUST** play with a current Men's Club member. We welcome and encourage **EVERYONE** that is interested in joining whether a single member or a group. We will find you a team if you do not have your own.
3. Scoring:
 - a. Best 2 of 4 Best Ball. The best two net scores per hole from your team will be totaled to determine your team score for that hole. Players that do not have a valid handicap will play at zero (0) handicap until their handicap is established. You must have at least two team members post scores for the round to count.
 - b. Your overall team score will determine the lowest to highest scoring teams each week. Team scores will be accumulated from week to week to show the lowest to highest total team scores for each half of the season.
 - c. There will be two half's to the 9-Hole season. The 1st half will be May 4th – June 29th. The 2nd half will be July 6th – Aug. 24th. There will be one throw-out week in each half, so 7 of 8 scores will be used. There will be one bye week (June 13th). Payouts will be for the top three (3) teams in each half. Each half is independent of the other, meaning that you start over at zero team points when the second half begins. In case teams tie, the team that shot the lowest weekly score during the year wins. If that ties, then we will go with the second lowest score, then third lowest, etc.
 - d. The first place team from the first half, second half, and 9-Hole Championship all qualify for the Tournament of Champions.
4. Payoff percentages:
 - a. 1st half – 30% of the total league fees (1st – 50%, 2nd – 30%, 3rd – 20%).
 - b. 2nd half – 30% of the total league fees (1st – 50%, 2nd – 30%, 3rd – 20%).
 - c. 9-Hole Champion – 40% of total league fees (1st – 50%, 2nd – 30%, 3rd – 20%).
5. Each team **must** post at least two team members' scores to earn valid team points for that week.
6. Make sure you turn your signed and attested scorecard into the Pro Shop with your last names after your league round.
