

CLASSIC RULES

2. \$40.00 per team (\$20.00 per player) with 100% payback. Many teams can't play during the week due to work schedules so please don't sign up if you can't commit to play on weekends. 3. 2-Man Best ball. If one teammate cannot make a match, one player may still play the match.
4. Double elimination tournament, with no consolation bracket. Play until you lose two matches.
5. 100% of the USGA Handicap will be used with the lowest handicap player being reduced to scratch. The remaining 3 players will receive the full difference. They will receive their strokes on the stroke holes per the scorecard.
6. Pre-printed scorecards will be used for all matches during each round, and handicaps will be "locked in" at the start of the round and will not change for the entire round. They will be available in the Pro Shop and will have the handicaps and strokes listed for each player. These scorecards must be signed and attested and returned to the Pro Shop following your match. **Please be sure to fill out complete hole scores for each player!** If a player takes an "x", then list what he would have made on the hole using his handicap. Example: Player makes a 10 on a par 4 and his handicap allows for no more than 2 strokes you should mark it like this X6. Failure to do so will result in a forfeit for both teams!!
7. **It is each player's responsibility to ensure that the handicap listed is correct for them at the time they were locked in.** You can be disqualified if you compete and sign the card under a false handicap.
8. If a match cannot be completed on the same day because of darkness or weather, the entire match must be played over.
9. It is the responsibility of the players to schedule matches with their opponents and setup their own tee times. Any match that is not completed by the deadline will result in both teams forfeiting. A bye will move forward in the bracket.
