

FLEXIBLE MEMBERSHIP PROGRAM

At Pebble Creek Golf Club, we want to offer more ways that you can enjoy our property. New for the 2020 season we are offering a flexible membership option to spread out the cost over the entire year. We understand that, especially in these times, making a one-time membership purchase may not be possible. Here is how it works.

- Build any membership package from our list of offerings.
- Put 20% down on the total cost (plus tax & a 5% finance fee) and spread the remaining balance across the next 11 months.
- A signed agreement and Credit Card on file are required to be eligible.
- You receive the same benefits and great service as any member, including:
 - \$39 guest fees (includes cart)
 - 15% off merchandise and apparel in the golf shop.
 - Priority tee times privileges
 - Priority access to special events
