

Individual Match Play Rules

1. Sign up deadline is Wednesday, May 5th at 8:00 PM or when the field fills up which ever is sooner. Players will be taken on a first come first service basis. Electronic registration is now available on the men's club website. Last year, Covid and miscommunication regarding who had signed up and paid, caused a delay in the start of Match Play. Please register and pay for Match Play early, then e-mail me (barryashmore58@gmail.com) or text me (612-219-8630) your name so I can enter you into the appropriate bracket based on your handicap.
Brackets will be posted May 7th on the Men's Club bulletin board.
2. Entry fee is \$20 per player with 100% payback. Depending on the number of players, the field will be divided into even brackets based on handicaps. There may be play-ins or byes to begin the season. It is double elimination so you are guaranteed 2 rounds of play.
3. 100% World Golf Handicap will be used. The lowest handicap player is reduced to scratch; the opponent will receive the difference on handicap holes according to the scorecard. (ex: 2 handicap goes to 0, 4 handicap would go to 2)
4. **NEW THIS YEAR** – It is the players responsibility to fill out their own scorecard on the day of the match – **pre-printed cards will not be available.** Each player will access their GHIN app and produce that day's HDCP for the tees they will be playing from. You can also access your handicap using the computers in the pro shop. Print your names (first and last) and handicap clearly on the scorecard, the date played, dot all handicap holes and circle the match play winner. Deposit completed scorecard in the envelope in the pro shop to be picked up on the designated deadline.
5. In fairness to all golfers, it is the player's responsibility to enter their score in GHIN after each match to keep handicaps updated. Failure to enter scores could result in board review and/or removal from the match play bracket. Please enter the scores together after the match to help avoid any discrepancies.
6. It is the player's responsibility to schedule matches with their opponent and set up your own tee times. It is not the match play administrator's duty to accommodate one player's wishes over another in scheduling matches. **There will be no extensions beyond the posted deadline.** If a match can not be scheduled (for whatever reason) and neither player can play by the deadline, both will forfeit the round. If only one player can play, they can play 10 holes on the deadline date and win the match. That player would then move on and the opponent would move down or out (if it's the 2nd loss).
7. Due to summer vacation interference, I encourage early play of the next round if possible to avoid any forfeiting. Please text or email Barry the results so updated brackets will reflect the result.
8. If a match cannot be completed on the same day because of darkness or weather, the entire match must be played over.
9. Players must play against each other in the same group.
10. Individual Match Play Champion and Runner-Up will qualify for the Tournament of Champions.
