

"AnyTime" League

- *Sign up ANYTIME as long as you can get 8 scores recorded. Field is open to any players that have an established handicap and are a member of the Men's Club, Women's Club, or a Junior member.
- *The last Anytime round of the season must be turned in by August 27th.
- *Entry fee is \$20.
- *A minimum of 8 scores will be needed in order to qualify for any payout. There is no limit to the number of rounds that can be played. Payout will be based on each golfer's best 8 scores. Number of places paid, and amount will be based on current club payout guidelines.
- *100% of handicap will be used.
- *Multiple 9-hole rounds can be played in the same day.
- *A player list with the handicap for each week of the season will be updated every Sunday evening and forwarded to the Pro Shop for the following weeks play.
- *Rounds must be played with another Pebble Creek league member. (men's or women's league)
- * Scores used for anytime round cannot be used to count for any other league, weekend event or tournament score. Designated rounds must be used for your anytime score only.

Instructions for playing an Anytime Round:

- *Tell the Pro Shop what 9 holes you would like to play. They will give you a card for play and mark the corresponding 9(s) on a tracking sheet. You can use the same card if you are going to play both the front and back 9. AnyTime rounds must be played on their own, you cannot use a different league event score as an AnyTime score.
- *Play the round! Have fun!
- *Enter your gross score on every hole. (do not enter any adjusted scores)
- *When your round(s) is complete, sign and date, then turn the card into the Pro-Shop. They will mark that you completed the 9(s) on the tracking sheet and place the card into a holding envelope. If a card is taken but not returned the same day, a score of NET bogey will automatically be entered as your score.
- *Your score will be posted to the WHS for you. Do not post Anytime scores.
